

Kindergarten Transition Community Focus Group

Monday, March 1, 2010 and Tuesday, March 30, 2010 from 6:30-8:30pm

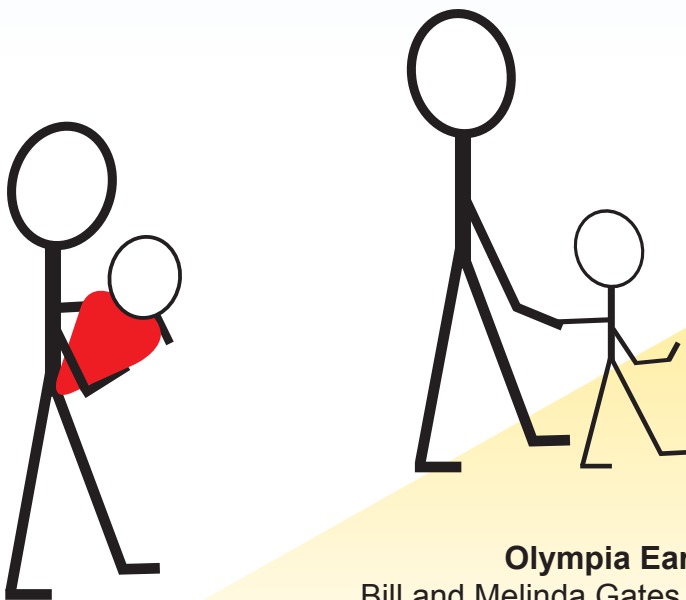

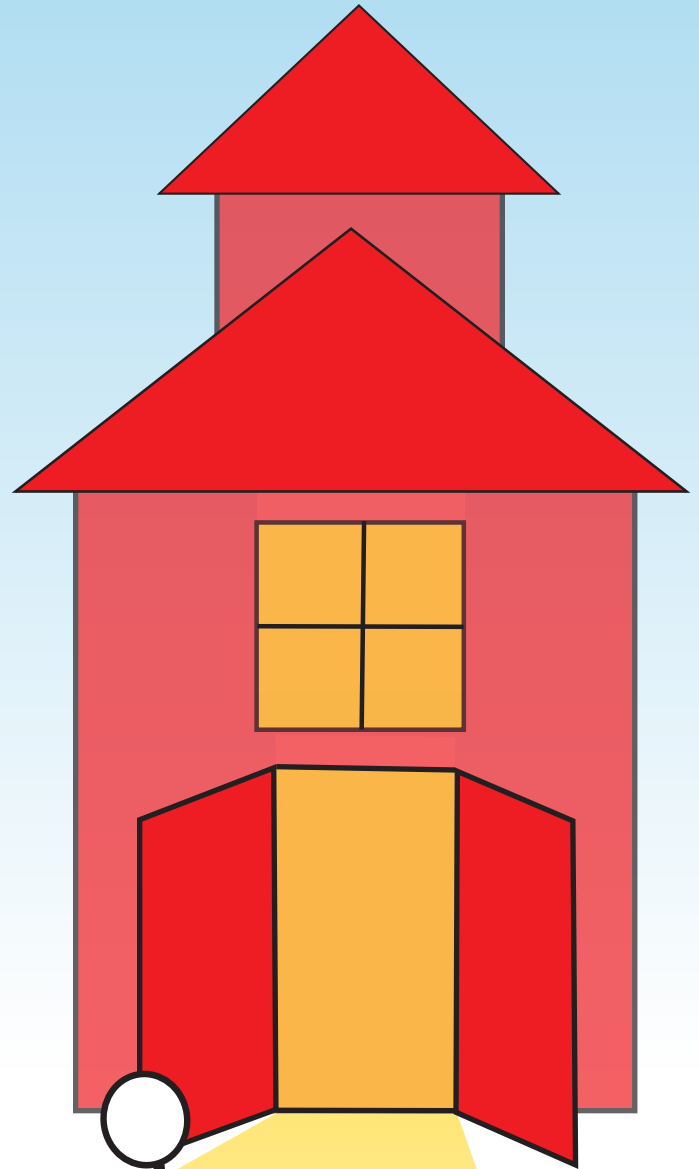

Held at **St. Mike's School** in the Multi-Purpose Room

1010 Eastside Street SE, Olympia, WA, 98501

As a continuation of last year's **Kindergarten Transition Community Cafés**, you are invited to attend two focus groups. Please plan to attend both sessions as we work together as administrators, parents, providers, teachers, and staff on the next steps. We will build on ideas we explored last year for a smooth transition to kindergarten for all children, families and schools. We will develop recommendations to share with the Olympia School District Board of Directors.
